Land Acknowledgment

Cycling Canada respectfully acknowledges that we are meeting today on the traditional territory of the Mohawk, Algonquin, and Anishinabewaki Peoples. We acknowledge the long history of First Nations, Inuit, and Métis Peoples and show respect to the Indigenous communities. We are making the acknowledgement to further demonstrate our commitment to work together as a community in laying the foundation for reconciliation through sport.

2025 Program Reporting Summary

Key Activity #1

Key Activity: Increase the number of under-represented youth introduced to cycling programming across Canada

Expected Result: Per year, 1700-2000 total HopOn participants were reached, 27%, of these participants were from under-represented groups reflecting 459-540 participants.

Status: Achieved.

Key Activity #2

Key Activity: Eliminate barriers to participation for under-represented participants across Canada

Expected Result: Survey of all participants results in 100% confirmation of barrier removal.

Status: Achieved.

Key Activity #3

Key Activity: Increase retention of under-represented participants in cycling club programming across Canada

Expected Result: Through the HopOn programming, 40-60 underserved participants were retained in club programming, representing a 25% increase of club programming enrollment post HopOn programming

Status: In progress.

2025 Program Reporting Summary

Key Activity #4

Key Activity: Increase the number of persons with a disability competing at the 2025 Canada Summer Games

Expected Result: 4 Provincial/Territorial Sport Organizations were represented at the 2025 Canada Summer Games with athletes with a disability

Status: 2 Provincial/Territorial Sport Organizations were represented

Key Activity #5

Key Activity: Increase the number of persons with a disability who proceed to the athlete classification stage

Expected Result: 9-13 persons with a disability proceeded to para cycling athlete classification, representing 20-25% of participants with a disability

Status: In progress

Challenges/Solutions

Some recurring challenges are:

- Tracking of under-represented participants
- Returning participants
- Availability to deliver in remote regions
- Availability of club programming
- Availability of instructors

Frequently asked questions

- Change in budget and/or program delivery
- Correct use of logo's
- Participant surveys
- Funding timelines

Upcoming Deadlines

- May-March 31, 2026 – Social Media Post
<https://hoponcanada.ca/2024-2026-csai-clubs/>
- **Community Evaluation Survey and Final Report** with budget to actuals due **February 28, 2026.**
- 2nd payment will not be issued until Final Reporting has been submitted
